To Whom It May Concern:

As the Primary Designated School Official at the University of Denver, I reported the university's fall operational plan to the Student and Exchange Visitor Program per the March 9, 2020 guidance.

The University of Denver will offer fall term instruction in a combination of face-to-face, hybrid and online courses.

Note that the SEVP Broadcast Message 2007-01 – COVID19 and Fall 2020 issued July 6, 2020 which required universities to issue I-20s to new and returning F-1 students with a notation regarding their fall instructional model **was rescinded on July 16, 2020**. New I-20s are not required.

Please contact me if you need additional information.

Sincerely,

Laura Buhs
Assistant Director and Int'l Scholar
Advisor
