IMMIGRATION CHECK-IN

Immigration regulations require all F-1 and J-1 students to report to the Office of International Student & Scholar Services (ISSS) to complete an immigration check-in. Once you complete the Immigration Check-in, the ISSS registration hold will be removed.

Immigration Check-in will take place in group sessions. Please see our Required Immigration Check-in page for the times of the sessions. You need to attend one session. No appointment is needed.

Please arrive at the appointment promptly at the beginning of the hour and be prepared to submit the required documentation. We will provide a Welcome to Denver presentation while your documents are being reviewed.

Feel free to contact issscomm@du.edu with any questions about Immigration Check-in or International Student Orientation.
