Teaching Appointments, Courses Taught

Josef Korbel School of International Studies, University of Denver

- Japan in East Asia: Economic, Business and Trade Relations (expected: 20 MA / GFTEI students)

Stockholm School of Economics

- Japan in the Global Economy: Advanced Analyses (20 MA & CEMS students in economics and business)

Keio University

- Japan-EU Relations: Comparative Cases of Trade & Investment (10 MA & PhD students in law, political science & sociology); See: http://hk-univ-collabo.hit-u.ac.jp/en/news_topics/2010/0406_000066.html

Teaching Appointments, Courses Taught (cont.)

Seijo University

- Selected Topics in Industrial Economics (15-20 undergraduate economics & business students)

Sophia University

- Comparative Economic Systems (20 undergraduate exchange students & Sophia students)
- Japan's Business History (25 undergraduate exchange students & Sophia students)

China Europe International Business School

- Negotiation in Emerging Markets (30 MBAs)

University of Edinburgh

Specialist Courses [course organization, lectures & discussion]:

- Advanced Topics in International Business (40 senior year business majors)
- Contemporary Issues in Management (55 junior year business majors)
- Negotiating Business in Emerging Markets (50 senior year business majors; 40 MBAs)
- Theoretical Foundations of International Business (50 junior year business majors)

Team Taught Courses: [selected lectures & tutorials/seminars]

- Introduction to International Business (200~250 second year students; 45 MBAs)
- Foundations of International Business (120 junior year business majors)
- International Business in Emerging Markets (60 junior/senior year business majors)

University of Stirling

- The History and Culture of East Asia III (15 junior year area studies majors)

University of Warwick

- International Business in the International System (50 international relations MA students)
- World Politics (25 first year students)

Stockholm University

- Japan's Economy (60 undergraduate students)

Lund University

- Swedish Society in a European Context (50 advanced undergraduate students)

Teaching Appointments, Graduate Student Supervision

Keio University

Supervision of MA and PhD students:

- Mutual recognition in organic food
- Non-traffic sensitive (NTS) telecommunications charges

University of Edinburgh

Supervision for Ph.D. dissertations and MBA/MA theses:

- Globalization in the diamond, gold, water and entertainment sectors
- Corporate governance in e.g. Japan, Brazil, and emerging market economies
- Economic effects of FDI in Scotland, Denmark, China
- International political economy / regionalization of East Asia

University of Warwick

Supervision of MA Theses:

- International political economy of the Olympic games
- Insurance industry in Japan

Teaching Appointments (cont.), Invited Lecture Sessions

University of Turku, Centre for East Asian Studies & Finnish East Asian Studies Academic Network

- A Historical Perspective on Japan's Economy and Business, filmed for use 2013-16
- Current Trends in Japan's Economy and Business, filmed for use 2013-16

Seijo University, Faculty of Social Innovation; Faculty of Economics

- Japan-EU Economic and Trade Relations (20 undergraduate students), 2010
- Innovation & the Economy (18 undergraduate students), 2008
- Economic Institutions & Power: The Camera & Imaging Industry (20 undergraduate students), 2007

University of Colorado at Boulder, Global Studies Academic Program, Invited Lecture Session

- *Amakudari* and the Changing Face of Japan (20 undergraduate students), 2010

University of Warwick, Department of Politics & International Studies, 1998

- International Business in the International System (50 MA students)

University of Edinburgh, Centre for the Study of Environmental Change and Sustainability (CECS), 2000-03
