The Bridge Project provides educational opportunities for children living in Denver's public housing neighborhoods so they graduate from high school and attend college or learn a trade.

Volunteer Detail:

Every school year each Bridge Project child is matched with a special adult called a tutor. The close relationship that develops over the school year is transformative for DU students and Bridge kids alike. PLP students will be assigned two students for a two hours session every week for the school year ending in May. **Please get started today at: <http://www.du.edu/bridgeproject>

Café 180 recognizes our universal appetite for delicious, nourishing food and social connectedness. Café 180 is dedicated to eliminating hunger and social barriers associated with food by feeding all people regardless of their ability to pay, in a dignified and respectful manner.

Volunteer Detail:

Volunteers help in a variety of ways at Café 180: food preparation, cooking, serving, dishwashing, cleaning, maintenance, marketing, etc. Your service will depend on your interests.

Website:

www.cafe-180.org

Children's Hospital Colorado sets out to be a leader in providing the best healthcare outcomes for children. Our modern-day mission is to improve the health of children through the provision of high-quality coordinated programs of patient care, education, research and advocacy. As a private, not-for-profit pediatric healthcare network, The Children's Hospital is 100-percent dedicated to caring for kids at all ages and stages of growth.

Volunteer Detail:

Volunteers will help in a variety of ways with hospital duties. For example, spending time with patients and patient's siblings, performing hospital administrative tasks, or supporting fundraising activities.

College Track is a national college completion program that empowers students from underserved communities to graduate from college. From the summer before 9th grade through college graduation, our 10 - year program removes the barriers that prevent students from earning their college degree by providing them with comprehensive academic support, leadership training, financial and college advising, and scholarships. We teach them the skills necessary to succeed in college and beyond. In four years, a College Track student receives support equivalent to one extra year of high school.

Volunteer Detail:

Student volunteers will tutor students in various high school subjects (one-on-one and small groups). Looking for enthusiastic tutors to provide homework assistance and test preparation

**Must be flexible, creative, proactive and patient.

Website:

www.collegetrack.org

Cooking Matters is helping end childhood hunger by inspiring families to make healthy, affordable food choices. When kids eat good food, they're stronger and healthier. But shopping and cooking healthy food is tough, even more so for low-income parents struggling with limited food budgets and a lack of options. Our programs teach parents and caregivers with limited food budgets to shop for and cook healthy, affordable meals.

Volunteer Detail:

Volunteers help in a variety of ways at Cooking Matters. Your service will depend on your interests and qualifications.

Denver Urban Debate League (DUDL) is committed to improving urban education in Denver by helping students learn and achieve through Debate. The mission is to provide opportunities for competitive debate to every student in the Denver area. DUDL emphasizes education over competition, using debate as a tool to build valuable academic and life skills that will ensure Denver's students future college and career success.

Volunteer Detail:

You can either be a debate judge who leads a discussion with the debates that serves as a debate critique and an opportunity for the judge to mentor the four students regarding their education and future goals. Or you could be a debate mentor/assistant coach, where you assist the debate teacher coach at each school in running debate practice sessions or classes at their school.

Denver Urban Gardens (DUG) comes alongside residents, and together, we cultivate gardeners, grow food and nourish community. DUG offers neighborhoods the essential resources for community gardens, including on-going technical expertise with:

- Securing sustainable land for gardens;
- Designing and building gardens;
- Supporting garden organization, leadership, outreach and maintenance;
- Utilizing gardens as extraordinary places for learning and healthy living;
- Linking gardens with related local food system projects and policy.

Volunteer Detail:

Volunteers help in a variety of youth programs, including: Garden to Cafeteria, Youth Farm Stands, and the Healthy Seedlings program. Your service will depend on the need of participating elementary schools, as well as your interests.

The Gathering Place
a refuge for rebuilding lives

The Gathering Place exists to serve women, their children and transgender individuals experiencing homelessness or poverty by providing a community of safety and hope where positive relationships, choice, and essential resources transform lives. The Gathering Place is Denver's only daytime drop-in center for women, their children, and transgender individuals experiencing poverty and homelessness.

Volunteer Detail:

Over 200 volunteers serve on-site weekly, 2-5 hours per week for a minimum of 3 months. Our volunteers serve throughout our agency; greeting clients at our Welcome Desk, running our Computer Lab, supporting artists in Card Project, tutoring in our GED program, distributing food and clothing in our on-site boutique and pantry, supporting families in our Family Area and much more.
