The Department of Parking and Transportation Services is responsible for managing the supply and demand of all parking spaces on campus, including both surface and structured lots. The department strives to provide equitable, quality service to the University. Our goals are achieved through:

- Being courteous, fair and timely
- Proactively planning for campus parking needs
- Maintaining safe and clean parking facilities
- Enforcing University parking policies
- Managing the permitting process
- Providing exceptional customer service
- Managing special event parking

All parking on the University campus requires payment or permit. In the event you receive a citation you may find information regarding appeals and payment on the University of Denver Parking Services website at du.edu/parking/citations.
