A RESEARCH OVERVIEW

Wednesday, September 12, 2012

Presented by

The Faculty of
The Department of Physics and Astronomy

ABSTRACT

In the first colloquium of the year, the faculty of the Department of Physics and Astronomy will present an overview of their research for students and faculty of DU. Following the presentation, all interested DU students and faculty are invited to join us for a social hour and discussions about the future joint interdisciplinary research and educational activities.

Colloquium at 4:00 p.m. - Room 105
Olin Hall, University of Denver Campus
2190 E. Iliff Ave.
Social Hour with refreshments: Physics Bldg. Room 116, 5:00-6:00 PM
