Physics and Astronomy at DU (www.physics.du.edu)

Take these classes in fall of your first year:
- **First-Year Seminar** (FSEM 1111)
- **Physics Preparatory** (PHYS 1200)
- **Calculus I** (MATH 1951)
- **General Chemistry + lab** (CHEM 1010 + 1240)
- **Common Curriculum requirement** (AI-S, SI-S, FOLA)

Talk to us about:
- Schedule conflicts
- Credit for AP/IB physics or calculus
- 5-year dual degree (BS in physics + MS in engineering)
- Astrophysics minor
- Combining physics with other majors
- Any other questions!

Email Prof. Jennifer Hoffman, jennifer.hoffman@du.edu
She’s nice!

Join the Society of Physics Students (SPS) for science projects, outreach, and fun! All majors welcome!
