Above are listed all of our students elected last month *to be initiated* (**initians**), invited to become Members of the Society, and accepting membership by registration with United Chapters. Those who distantly attend our virtual meeting on June 9, 2021 and are acknowledged during the Initiation Ceremony will become **initiates** at that time. Others will be initiated otherwise at other times.

Note: The Society and our DU Chapter reckons “junior” and “senior” status rather differently than the Registrar does—and than even students themselves do.
