

University of Denver Center for Professional Development  
Certified Addiction Counseling Program

## **Clinical Supervision II**

CAC Level III Required Class

Prerequisites: Clinical Supervision I AND Advanced Motivational Interviewing

### **Overview of Training**

Clinical supervision II is designed to reinforce the motivational interviewing skills of the supervisor through the use of the MIA: STEP process (Motivational Interviewing Assessment: Supervisory Tools for Enhancing Proficiency).

MIA: STEP will be utilized as a format of supervision. Specialized techniques, coaching, coding, teaching, and use of video or audio taping in supervision will be discussed. Videotaping of practice sessions may be utilized.
