REGISTRATION

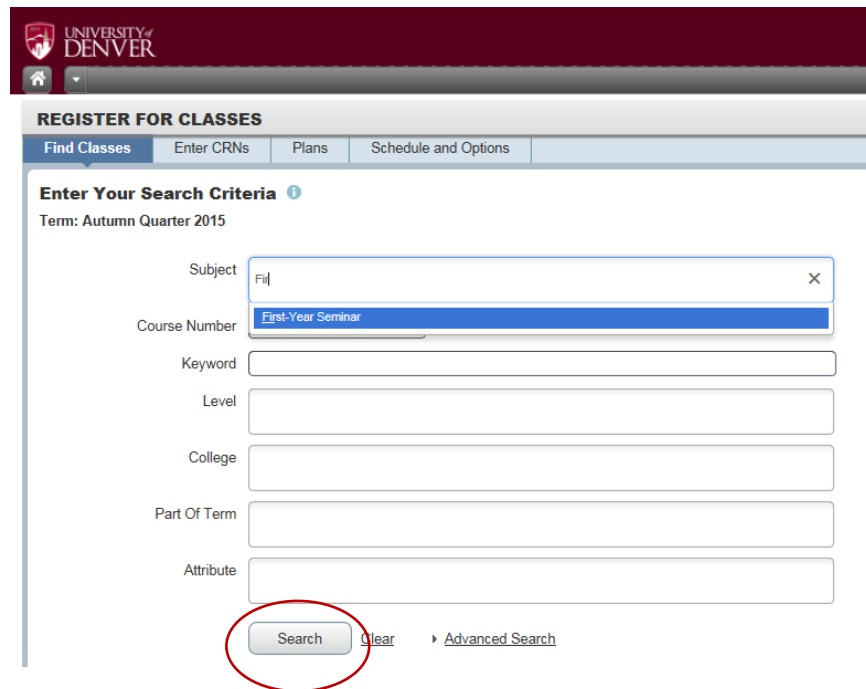

What would you like to do?

- Prepare for Registration**
View registration status, update student term data, and complete pre-registration requirements.
- Register for Classes**
Search and register for your classes. You can also view and manage your schedule.
- Plan Ahead**
Give yourself a head start by building plans. When you're ready to register, you'll be able to load these plans.
- Browse Schedule**
Looking for classes? In this section you can browse classes you find interesting.
- View Registration Information**
View your past schedules and your ungraded classes.
- Browse Course Catalog**
Look up basic course information like subject, course and description.

You will be prompted for the term. Select Autumn Quarter (not Autumn Semester).

You can search for DU classes by many different criteria. For now, begin typing “First-Year Seminar” in the Subject box. The system will guess what you are searching for. Select First-Year Seminar and click “Search” at the bottom of the window.

The FSEM course descriptions are listed in this format:

Biotechnology & Me
 FSEM 1111-42 | CRN: 3339
 Offered: MW, 2:00PM-3:50PM

FSEM 1111 is the course number
 42 is the section number
 3339 is the course reference number (CRN)

In the search screen, the full title (Biotechnology & Me) will not appear. So you need to make your selection using the CRN or section number.

All First-Year Seminars will show in the top panel, sorted by section number. Find the section for which you want to register. You can hover over the title to see the full course title. You can click on the title for additional details including a complete course description. Meeting times and available seats are shown. When you find the section with available seats to register for, click "Add."
