The class has been placed in the Calendar View and in the Summary View. Since it has not been submitted, the course will be shaded.

The screenshot shows the 'REGISTER FOR CLASSES' interface. At the top, there are tabs for 'Find Classes', 'Enter CRNs', 'Plans', and 'Schedule and Options'. Below this is a search results table with columns for Subject, Subject Description, Course N, Section, Title, Hours, CRN, Term, Instructor, Meeting Times, and Status. Three search results are shown, all for 'First-Year Seminar' in Autumn Quarter 2015. The third result, 'First-Year Seminar: Immigrant Stories...', has its 'Add' button circled in red. Below the search results is a 'Class Schedule for Autumn Quarter 2015' calendar view showing shaded blocks for the seminar on Tuesday and Thursday. To the right is a 'Summary' panel for the selected section, showing details like Title, Hours, CRN, Schedule Type, and Status (Pending). At the bottom right, there is a 'Submit' button and a 'Conditional Add and Drop' checkbox.

Click submit. The course in the calendar view and in the summary will change to green. The status in the summary will state "Registered." Congratulations! You have registered for your First-Year Seminar. You can sign out.
