

2020-2021 Calendar Overview:

Due to the COVID-19 outbreak and the possibility for a resurgence next year, two calendars have been created for the 2020-2021 school year. With this possibility in mind, **Ricks first priority is to provide 165 days of in-person instruction** and our plan right now is to start in person instruction August 19th. **Ricks can accommodate the current social distancing requirements of 10 students in a class in our building.**

The first calendar is our traditional school day calendar and our second calendar incorporates flex days which can be used to provide extra instructional days for different levels of severity. If we are required by CDHPHE to close the school building, or we need to implement smaller class sizes, we may use the flex days to allow us time to get up and running.

Traditional professional development, conferences, and breaks may need to be converted into instructional days which are designated purple in the flex calendar. If students are required to learn from home, **a four-day week will be implemented. Please note we have added five days to the beginning of the school year and may use up to ten days at the end of the year to help meet our instructional 165-day goal.** When possible, Ricks will notify parents two weeks prior to the implementation of any flex days.
