Our Vision: Inspiring and motivating people to lead healthier lifestyles.

Our Mission: Kids’ Adventures provides a structured environment in which children are given the opportunity to reach their full potential through movement, nutrition, and mindfulness.

ECE Program Description 2015-2016 School Year:

Our Before and After School Programs allow working parents to ensure their children are in a safe environment free to engage in constructive and supervised activities. Brainpower hour Monday through Thursday provides your child the opportunity to receive structured homework help on a regular basis.

“Kids’ Adventures is not about day care. It’s about getting students ready for learning and making sure students have a positive environment after school with movement and opportunities to authentically continue their learning. The staff has had training in brain research, movement and exercise, and homework assistance. Kids’ Adventures makes before and after school care a uniquely positive and fun place for kids and families!”

- Tria Dassler, Former Principal, Vanderhoof Elementary
