

International Travel Immigration Checklist

It is your responsibility to research and fulfill any immigration requirements prior to travel. Consider the following:

- 1) Your passport should not expire within six months of your travel - verify requirements for your destination
- 2) Fulfill any visa requirements/obtain visa (if required)
- 3) U.S. citizens should register for the U.S. State Department Smart Traveler Enrollment Program (STEP, see this link: <https://step.state.gov/step/>)
- 4) Non-U.S. citizens should register with their foreign office prior to travel
- 5) Read U.S. State Department country information or foreign office information for non-U.S. citizens prior to departure
