

Thank you for joining us for the [2020 Research and Scholarship Showcase](#) hosted via Twitter. This document contains instructions of how you can take part in the conversation!

## Locating the Showcase

- Login to your personal Twitter account
- Click the Search button
  - Type **@UofDenverGrad**
    - Click on our page and follow for updates throughout the event
  - Type **#DURSS2020** for all presenters
  - Type **#DUUGResearch** for undergraduate presenters
  - Type **#DUGradResearch** for graduate presenters
  - Type in the handle (**@username**) of presenters who invited you
    - [Learn more about searching](#)

## Engaging in Conversation During the Event

Once you have identified a presenter and project you'd like to interact with, reply with questions, ideas, and feedback! [Watch this YouTube tutorial on viewing comments.](#)

### How to post a reply

1. Find the Tweet you want to reply to.
2. Click or tap the **reply** icon 
  - Note:** A composer screen will pop up, where you will see the name of the person(s) you are directly replying to.
3. Type in your message and click or tap **Reply** to post it.
