Oral Defense Committee Chair (outside chair)

Faculty Name _____ Rank _____ Department _____

If you have not yet selected your Oral Defense Committee Chair, you do not have to provide it on this form. However, you must provide it on the [Schedule of Oral Defense form](#), which must be submitted to the Office of Graduate Education at least four (4) weeks prior to your defense.

Thesis/Dissertation Director

The director is ordinarily a tenure-line or research faculty member of the candidate's graduate program. Under some circumstances, faculty with other designations (e.g. Clinical) can serve as the director with approval of the department/program chair and dean/designee.

Faculty Name _____ Rank _____ Department _____

Committee Members

Faculty Name _____ Rank _____ Department _____

Faculty Name _____ Rank _____ Department _____

Faculty Name _____ Rank _____ Department _____

Faculty Name _____ Rank _____ Department _____

Faculty Name _____ Rank _____ Department _____

- Tenure-line and research faculty from DU, including those outside the student's program, are automatically eligible to serve as voting members on committees if the subject is appropriate to their field of expertise
- Faculty with other designations (e.g., clinical, teaching, professor of the practice) are eligible to serve as voting members of the committee if they have been actively involved in research and scholarship in a relevant field and hold the research doctorate,

terminal degree in the field, or equivalent record of research, scholarship, or achievement appropriate for the program. The faculty member's CV should be submitted to the dean or designee for approval.

- Individuals from other institutions may serve as voting members (not director) of the committee if they hold a tenure-track or research faculty position in a relevant field at a university or research position in a National Laboratory. Others, if approved by the dean or designee. No more than one committee member can come from outside of DU
