

Your Next Steps Checklist – English Conditional Admission (ECA)

Congratulations again on your admission to the University of Denver! We are excited to have you join our community of students and scholars from across the world. Please pay attention to the following important deadlines and complete the steps below to confirm your enrollment and start your journey to Denver.

English Conditional Admission (ECA)

Before you begin your degree program, **you must successfully complete the appropriate level of intensive English at the University of Denver's English Language Center (ELC)** or submit a qualifying TOEFL, IELTS, CAE, or Duolingo score to our office. Each level of English at the ELC corresponds to one quarter (ten weeks of study), and it generally takes 3-5 quarters to complete all required levels. If you are currently enrolled at the English Language Center, you must successfully complete the [LAUNCH curriculum](#) in order to continue at the University of Denver.

All students who are not native English speakers, both those offered Regular Admission and those who complete the English Conditional Admission program, are required to complete at least one English course in the [LAUNCH curriculum](#): a series of up to three English classes that count towards the foreign language requirements for your degree. The LAUNCH classes are designed to help you be more successful in your academic program by improving your English ability, teaching you about being part of an American university, and helping you explore U.S. culture.

Estimated Expenses – Academic Year 2021-2022

These are the estimated MINIMUM expenses for undergraduate international students at the University of Denver for the 2021-2022 academic year. These estimates assume a moderate lifestyle in which students share living accommodations and expenses with a roommate and do not include international travel or the purchase of a laptop computer, a requirement for most students. For information on required specifications, leasing and purchasing options, please visit the website: <http://www.du.edu/uts/laptops/specs.html>.

All University of Denver students are required to have health insurance.
