Safety and Security Tips:

1. **Be aware of your surroundings. If you see anyone suspicious, avoid them by entering a public place such as a business.**
2. **Do not use your phone or any other electronics when walking. These devices distract you and make you an easy target for criminals.**
3. **Avoid displaying large amounts of cash, or wearing/displaying valuable jewelry or electronics. These items are enticing to criminals who assume that you have more valuables in your possession.**
4. **Try to walk in well-lit areas as much as possible.**
5. **Walk on the sidewalk whenever possible. Walk close to the curb, avoiding doorways, bushes and other potential hiding places.**
