Come Celebrate an Incredible DU Tradition!

The 6th Annual New Beginnings Pow Wow will be one to remember! The event will feature plenty of attractions, including Native American jewelry and crafts, food, and traditional dancing. Stop by and experience an incredible cultural event.

Pow Wows are the Native American people's way of meeting together, to join in dancing, singing, visiting, and making new friendships. This is a time when dance and music honor the resilient cultural history of Native American peoples and traditions.
