Having read the withdrawal policies of the University of Denver, I understand by submitting this request I will be dropped from all of my classes for the term listed above and am responsible for tuition and fees assessed according to the posted refund schedule. This withdrawal will affect my eligibility to remain in student housing, to use campus facilities and to retain health insurance benefits. My current and future financial aid awards will be affected and I may be liable for tuition owed as a result of the return of financial aid funds.

Important: For the standard ten week term, you CANNOT withdraw from all courses without instructor approval for each course after the **sixth week**. If it has passed the sixth week for a ten week term, this withdrawal process is not sufficient and will not be processed if you proceed. You will need to complete an add/drop form with instructor approval for each course dropped after the sixth week. Please review the Drop/Add Schedule <http://www.du.edu/registrar/calendar/index.html>.

If you are an F-1 or J-1 student, this may have serious consequences for your student immigration status. If you have not already done so, please contact International Student and Scholar Services immediately at isss@du.edu or 303.871.4192.
