

**Motion to Support the FIIT Requirement  
(passed by Faculty Senate 7.1.22)**

In the effort to support inclusive approaches to curricula and inclusive spaces for learning, this motion proposes that Senate support a new requirement for all faculty to complete a one-hour Faculty Institute for Inclusive Teaching (FIIT).

The one-hour module will be created by Valentina Iturbe-LaGrave of OTL, in partnership with the Faculty Senate Executive Committee. FIIT will include DU-specific course material, with the option for follow-up engagement later in the year.

I support Faculty Senate partnering with the Office of the Chancellor and the Office of the Provost to mandate a one-hour online training on inclusive pedagogy for all DU faculty.
