LACTATION FRIDGES

Congratulations on your little one!

Well@DU provides temporary mini fridges for your office or desk at no cost during the transition back to work.

How It Works

1. Email well@du.edu with your contact information, office number or location, and fridge size preference (pictured above) so that arrangements can be made in obtaining a fridge.
2. There is no time limit on the fridges return, as every mother's needs are different. Similar to a library check-out, simply return the fridge when it is no longer needed. Once you are finished, email well@du.edu to coordinate the fridge pick-up.

If you have any questions, please call 303-871-3840.
