

## International Baccalaureate Credit 2022-2023 Academic Year

Students may receive college credit through the IB program, which is offered at many high schools. Higher-Level Subject Exams may be awarded credit. With the exception of foreign language, no credit is given for Standard-Level Subject Exams. The number of credits awarded varies depending on the subject area. The amount and placement of IB credit is summarized in the following table.

IB Score	7	6	5	4	Common Curr.
<b>SUBJECT</b>
