If I sign-up, how does it work?

› After you select a coverage amount and enroll in AD&D insurance from Group Benefit Solutions, you’ll pay for your chosen coverage amount through convenient payroll deductions.
› Once enrolled, if you or a covered family member are seriously injured or pass away from a covered accident, you or your beneficiaries will receive a set amount.
› However, this coverage shouldn’t be a replacement for life insurance or primary medical insurance as it provides accident-only coverage.
› Depending on the severity of an injury, the plan may pay a percentage of the total benefit for a covered accident that doesn’t lead to loss of life.
