

Checklist - Programs Involving Minors

Use this checklist to assist in planning your youth program.

Youth Programs are not limited to camps and pre-college programs; they also include activities such as, tutoring programs, spelling bees, retreats, academic and athletic competitions, and faculty and staff who have minors voluntarily working in a lab. Please be sure to review the <u>Procedures for the Protection of Minors on Campus</u> for more information regarding the applicability of items listed below to specific types of Youth Programs.
