WHOLENESS REFLECTION EXERCISE
Wellness is an active process through which people become aware of, and make choices toward, a more successful existence.

**STEP 1** Review the Six Dimensions of Wellness (See full description at NationalWellness.org/6Dimensions)

**SPIRITUAL:** sense of purpose; connecting to a higher power; meaning in life; knowing one’s values; awareness of life as a journey; tolerance; integrity

**PHYSICAL:** regular exercise; healthy nutritional habits; self-care; monitoring vital signs; sense of vitality and energy; avoidance of alcohol, drug misuse, and tobacco use; connection to nature

**EMOTIONAL:** acceptance of feelings; management of emotions and stress; ability to center; resilience; attuned to others emotions

**SOCIAL:** positive connections; encouraging community; giving and receiving social support; intimacy; compassion; love

**OCCUPATIONAL:** financial health; ability to share gifts, talents, and skills through work; satisfying career; sense of achievement

**INTELLECTUAL:** creativity; stimulating mental activities; learning; reading; problem-solving; staying current with events you enjoy

**STEP 2** Assess Your Current Energy Investment

In which dimensions of wellness are you investing the most — and least — energy right now? Color in each of the bars below to indicate how much time and energy you have positively invested in each of the six dimensions this week.

- **Spiritual**
- **Emotional**
- **Occupational**
- **Physical**
- **Social**
- **Intellectual**

**STEP 3** Create Your Ideal Vision of Wholeness

Imagine you have only 30 “energy blocks” to devote across the six dimensions. Fill in a total of 30 blocks below to indicate how your ideal self would distribute those blocks across the dimensions. Devote a minimum of 1 and a maximum of 10 energy blocks to each dimension.

**STEP 4** Reflect on Your Vision: Reconciliation, Rebalance, Values, Inspiration

Compare your actual energy habits and investments from Step 2 with the ideal vision in Step 3. What do you notice? What would you like to improve upon, feel, or be (if anything)? Accept whatever you notice as a possibility. As you do so, reflect on the different values listed below. Is there any value or group of values that you need to identify, align with, celebrate, or re-assert in your life that can be helpful to you right now? Check off up to five values. Can you think of others not on this list? What inspires you?
