AP, IB, AND TRANSFER CREDITS

AP/IB & Transfer Credits

The University of Denver grants credit for select Advanced Placement (AP) and International Baccalaureate (IB) examination scores as well as previous college credits through enrollment in college-level courses. Incoming students should submit AP and IB scores and college transcripts prior to registration so that we can help place students in the correct courses.

Undergraduate Admissions will send you an initial credit evaluation, which will show what courses will automatically transfer for credit at DU.

Pending credits? Don’t repeat the same class.
Meaningful understanding of any one discipline is enriched by awareness of a variety of ways of generating knowledge about the world through the Common Curriculum. Furthermore, contact with a breadth of disciplines prepares you for citizenship and leadership as a hallmark of a liberal arts education at DU.
