

2025-2026 Tuition Rate Schedule

Term-Based Pricing:

Some programs (identified in parenthesis) do not charge tuition on a per-credit basis, and instead have flat-rate or cohort pricing:

- Students in flat-rate programs pay \$20,616 for 12-18 credits of enrollment. Except where noted below, traditional undergraduate students and most graduate students who began their program prior to the fall of 2020 are charged a flat rate (excluding law students and those in cohort-based programs).
- Students in cohort-based programs pay a single rate—based on when they began the program—until degree completion.
