To be considered transferable, college-level courses must be similar in content to what is offered at the University of Denver and a grade of C- (1.7) or better must be earned as shown on official college transcripts.

- Courses may transfer in as Common Curriculum requirements, major/minor requirements, or electives.
  - Common Curriculum requirements are courses offered across many disciplines and are required across all majors (see next page for suggested courses).
- Online courses may be refused based on instruction methodologies not equivalent to those at the University of Denver
- Pass/Fail courses will be considered if a pass is equivalent to a C- (1.7) or better, however, they will only transfer in as electives – they will not count toward Common Curriculum requirements or major/minor requirements
- CLEP and DSST exams are not accepted for credit
- Military coursework that is listed on an official Joint Services transcript may be approved by the most closely related department at the University of Denver
- Grades do not transfer and are not included in a student’s University of Denver GPA
  - Keep the syllabus for each course, as it may help determine specific placement of courses.

- Our Bulletin is a great resource to view major/minor options, requirements and course descriptions: [http://bulletin.du.edu](http://bulletin.du.edu)
  - We keep a list of previously approved courses. You can search for your institution online at [go.du.edu/transfers](http://go.du.edu/transfers). You will be able to search by institution, and even view Advanced Placement (AP) and International Baccalaureate (IB) score conversions.
    - The Colorado Community College System (under the state of Colorado) is the most complete in terms of equivalent course listings. If you do not see a course for your school, please check for a similar title under the Colorado Community College System.
    - This is not a complete list of courses. The absence of a particular course or institution may mean that it has not been formally reviewed yet.
    - Courses and institutions will continue to be added as DU equivalents are determined.

- The University of Denver runs on a quarter system. When the original college or university is not on the quarter system, the transfer credits will be converted to quarter hours.
  - 1 semester hour = 1.5 quarter hours (e.g., 3 semester hour course = 4.5 quarter hours)
    - Institutions not on the semester system will indicate the appropriate conversion on their transcripts.
      - A maximum of 45 credits can be transferred in from AP or IB credit
      - A maximum of 96 quarter hours (64 semester hours) can be transferred in from two-year institutions
      - A maximum of 135 quarter hours (90 semester hours) can be transferred in from any combination of two- and four-year institutions, AP/IB credit, and/or Military credit
        - At least 50% of the required credit hours for the major and minor must be completed at the University of Denver
        - The final 45 credits must be earned in residence at the University of Denver
          - Residency may be waived for students studying in an approved study abroad program

- A more detailed listing of transfer credit policies can be found online at: [www.du.edu/registrar/transfer-studyabroad](http://www.du.edu/registrar/transfer-studyabroad)

</table>
| First-Year Seminar (FSEM) | DU requires 1 course to satisfy this requirement  
- Waived for transfer students | |
| Writing & Rhetoric (WRIT) | DU requires one year of Writing  
- ENG 121 & 122 English Composition I & II | |
| Language | DU requires 1 year or proficiency for most majors  
- Any foreign language numbered 111, 112, 211, or 212 | |
| Ways of Knowing: Analytical Inquiry (AI-Natural & AI-Society) | AI-Natural  
DU requires 1 course or the equivalent of 4 quarter hours  
- MAT 120 Mathematics for Liberal Arts  
- MAT 123 Finite Mathematics  
- MAT 125 Survey of Calculus  
- MAT 156 Integrated Math II  
- MAT 201, 202 Calculus I, II  
- CSC 119 Intro to Programming  
- CSC 160 Computer Science I  
- CSC 220 Visual Basic Programming  
- CSC 230 C Programming Windows  
- PHI 113 Logic  
*College Algebra, Pre-Calculus, and Statistics will **not** count towards the AI-Natural requirement, but will come in as departmental credit | AI-Society  
DU requires 2 courses from two **different** arts and humanities disciplines  
- ANT 107 Intro to Archaeology  
- ART 110 Art Appreciation  
- HIS 101 or 102 Western Civilization I, II  
- HIS 111 or 112 World Civilization I, II  
- HIS 121 or 122 U.S. History I, II  
- HUM 115 World Mythology  
- HUM 121 Early Civilization  
- UT 115 Intro to Literature I  
- UT 201 or 202 World Literature I, II  
- MUS 120 Music Appreciation  
- PHI 111 Intro to Philosophy  
- PHI 112 Ethics  
- THE 105 Intro to Theatre Arts |
| Ways of Knowing: Scientific Inquiry (SI-Natural & SI-Society) | SI-Natural  
DU requires 2 courses if taken on a semester system/ 3 courses if taken on a quarter system; **all must have a lab** (one full year of lab based science)  
- AST 101, 102 Astronomy I, II with lab  
- BIO 104 Biology: A Human Approach with lab  
- BIO 105 Science of Biology with lab  
- BIO 111, 112 General College Biology I, II with lab  
- CHE 101 Intro to Chemistry I with lab  
- CHE 111, 112 General College Chemistry I, II w/lab  
- CHE 211, 212 Organic Chemistry I, II  
- GEO 111, 112 Physical Geography Landforms, Weather Geology  
- GEY 111, 121 Physical Geology, Historical Geology  
- PHY 105 Conceptual Physics with lab  
- PHY 111, 112 Physics: Algebra-based I, II with lab  
- PHY 211, 212 Physics: Calculus-based I, II with lab | SI-Society  
DU requires 2 courses from two **different** social science disciplines  
- ECO 201 Principles of Macroeconomics  
- GEO 105 World Regional Geography  
- JOU 105 Intro to Mass Media  
- POS 105 Intro to Political Science  
- POS 111 American Government  
- POS 205 International Relations  
- POS 225 Comparative Government  
- PSY 101 or 102 General Psychology I, II  
- SOC 101 or 102 Introduction to Sociology I, II  
*Microeconomics will **not** count towards SI-Society requirement, but will come in as Economics credit |
| Advanced Seminar (ASEM) | DU requires 1 course to satisfy this requirement  
- Must be taken at DU | |
