TRANSFER GUIDELINES
2020

APPLICATION INFORMATION FOR TRANSFER STUDENTS

Admission Standards:

Consideration for admission includes a competitive GPA (generally, a **3.0 or higher** in coursework that demonstrates a commitment to academic success), trends in grades, circumstances that may have influenced your academic performance in college, and other information included in your application.

Transfer Application Requirements:

- **Submit a completed Transfer Application**
 - Links to both the Common Transfer Application and the Pioneer Transfer Application can be found on our website du.edu/apply/admission/apply/transfer
 - No preference is given for either the Common Application or the Pioneer Application
- **Submit a 250-500 word open-topic essay** (included within either transfer application)
 - This is your chance to demonstrate your writing ability as well as add your personal information to the application. Why do you want to transfer to DU? What would you like us to know about you, your academic history, or experiences?
- **Pay the \$65 non-refundable application fee** via check or credit card online through either application
 - Fee waivers may be considered on a case-by-case basis for demonstrated financial hardship
 - *Current Phi Theta Kappa Honor Society members qualify for automatic fee waivers*
- **Submit official transcripts from all college-level study attempted at previous and/or current institutions**

If **all** your college transcripts combined show that you completed less than 30 graded semester credits (45 quarter credits), you **must** also submit:

- A final/official high school transcript or G.E.D.
- Official ACT/SAT scores *if* you attended a U.S. or Canadian-style HS & you are under 24 years of age
 - *Beginning Fall 2020, you may choose to go test optional, if you feel the ACT or SAT tests did not reflect your academic ability accurately. To learn more, go to du.edu/test-optional.*

Major-Specific Application Requirements:

- **Business:** Submit a professional resume – this may be emailed to: admission@du.edu
- **Music:** Complete an audition – see liberalarts.du.edu/lamont/admission-aid for audition requirements

Optional:

- Teacher, professor, advisor, and/or employer recommendations can be emailed to admission@du.edu
- Professional resumes can be emailed to admission@du.edu (*required for Business majors*)
- Create a [ZeeMee](https://www.zeemee.com/) account (<https://www.zeemee.com/>), a free service that allows you to upload photos, videos, and text to help bring your application to life. Just copy your ZeeMee link into your application or email it to admission@du.edu

Available Terms and Deadlines:

Transfer applications are considered on a **rolling, space-available basis**. All materials need to be received by the dates below; however, we strongly recommend submitting materials well before the deadline. Decisions are typically released within three weeks of receipt of all required documents.

Please contact International Student Admission for International Transfer Deadlines.

FINANCIAL AID INFORMATION FOR TRANSFER STUDENTS

Academic Merit Scholarships

Longs Peak Award: \$16,000 - Mt. Evans Award: \$18,000 - Pikes Peak Award: \$20,000

- Your application to the University of Denver will determine your admission as well as your eligibility for an Academic Merit Scholarship.
- Academic performance at your previous institution(s) weighs heavily in awarding scholarships; this includes GPA, trend in grades, and difficulty of coursework.
- A college GPA of **3.3 and higher** is competitive for the above merit scholarships.
- These awards are automatically renewable if the student continues full-time (between 12-18 credit hours) and remains in good academic standing (2.0 GPA).

Phi Theta Kappa Scholarship - \$2,500

- This scholarship is available to transfer students who are members of Phi Theta Kappa (PTK) immediately prior to attending DU.
 - *Submit proof of membership to Undergraduate Admission, either through a notation on the transcript or through a separate confirmation from the PTK chapter. No separate scholarship application is required.*
- This award is separate, and in addition to Academic Merit Scholarships.
- This award is automatically renewable if a student continues full-time (between 12-18 credit hours) and remains in good academic standing (2.0 GPA).

Talent-Based Scholarships

Talent-based awards vary in amount and tend to be determined in early spring. Apply early for best consideration.

Art: portfolio-based - information found by emailing Jason.Kellermeyer@du.edu | liberalarts.du.edu/art

Music: audition-based - information found online at liberalarts.du.edu/lamont/admission-aid
Music students are considered for a comprehensive scholarship that will take talent, academics, and financial need into consideration in lieu of the above Academic Merit Scholarships

Theatre: audition-based - information found online at du.edu/ahss/theatre/admission

Need-Based Awards

Need-based financial aid is determined using a number of factors, including family income, household size, assets, the number of siblings enrolled in college, and academic record. There are two required forms for need-based awards. We recommend that you submit these forms as early as possible in the application process for faster award packaging if admitted. *You do not need to wait for an admission decision to submit the FAFSA or CSS Profile.*

- **Free Application for Federal Student Aid (FAFSA)** – determines eligibility for federal funding such as loans, Pell Grant, and work-study
 - fafsa.ed.gov DU School Code is 001371
- **CSS Profile** – determines eligibility for institutional funding such as the **DU Educational Grant** and other need-based scholarships
 - cssprofile.collegeboard.org DU School Code is 4842

VETERAN BENEFITS, STUDY ABROAD, and GUIDED PATHWAYS

VETERAN BENEFITS and SERVICES

There are a variety of financial benefits and student services available to military, veterans, and their dependents, including **Yellow Ribbon** funding. You will need to apply for your VA education benefits online through the VA at benefits.va.gov/gibill/apply.asp **and** DU at du.edu/registrar/gibill. It is best to contact our Military Programs Coordinator at 303-871-4878 for more information.

As a small thank you for your service, the \$65 application fee for Common App and Pioneer App is waived for all active duty and veteran applicants.

For admission purposes, please submit military transcripts or your DD214.

- Military transcripts are certified documents that can help us understand your military training and qualifications. You may request to have a [Joint Serviced Transcript](#) (JST) sent electronically.
 - Air Force personnel do not have a JST, but must request transcripts from the Community College of the Air Force (CCAF) to show military training. Use the [transcript order form](#) to have an official copy mailed to us.

STUDY ABROAD: du.edu/abroad - 303-871-4912 - duabroad@du.edu

The University of Denver strongly invests in study abroad because we believe as many students as possible should have the opportunity to discover how education really comes to life in an international context.

- Undergraduate students are eligible for the Cherrington Global Scholars Program after attaining Jr status (90 quarter hours) and 3.0 GPA at DU – **a minimum of 2 quarters of full-time enrollment must be completed at DU before studying abroad.**
- Advising is available to determine how study abroad credits will be applied to your degree.
- **It is recommended to begin advising a year in advance of your study abroad term.**

Cherrington Global Scholars receive benefits that help offset additional costs associated with studying abroad, such as airfare stipends and visa fee coverage

GUIDED PATHWAYS: du.edu/registrar/transfer-studyabroad/cccsguide

The University of Denver is beginning to review the Degrees with Designation for the schools in the Colorado Community College System. This will enable students to see how courses taken in the community college system will work within given majors. As more majors complete the review process, they will be added to the website above.

THE QUARTER SYSTEM: du.edu/registrar/calendar/

The University of Denver runs on a **quarter system**. The academic year consists of three 10-week quarters and an optional summer quarter.

Fall Quarter	Winter Quarter	Spring Quarter	Summer Quarter
Starts mid-September Ends mid-November	Starts early January Ends mid-March	Starts early April Ends mid-June	Starts mid-June Ends late August

Full time status is between 12-18 credit hours. The vast majority of courses are 4 credit hours; a typical course load is 3-4 courses.

TRANSFER CREDIT OVERVIEW

TRANSFERABILITY OF COURSES

- College-level courses
- Similar content to what is offered at the University of Denver
- A grade of C- (1.7) or better must be earned
 - Pass/Fail courses can transfer if a pass is equivalent to a C- (1.7) or better; *however*, they will only transfer in as electives – they will **not** count toward Common Curriculum or major/minor requirements
 - Grades do not transfer and are not included in a student's University of Denver GPA
- Official transcripts must be submitted from each institution
- CLEP and DSST exams are not accepted for credit

Our Bulletin is a great resource to view major/minor options, requirements, and course descriptions:
bulletin.du.edu

You can also access our Custom Viewbook to get information about majors, minors, and life at DU:
customviewbook.du.edu

HOW CREDIT IS APPLIED

- Courses may transfer in as [Common Curriculum](#), major/minor requirements, or electives
 - Common Curriculum requirements are part of our liberal arts philosophy, offered across many disciplines, and are required across all majors (see next page for suggested courses)
- go.du.edu/transfers allows you to search for transferable courses as well as Advanced Placement (AP) and International Baccalaureate (IB) score conversions
 - The **Colorado Community College System** is the most complete in terms of transferable course listings. If you do not see a course for your specific school, please check for a similar title under the Colorado Community College System
 - The absence of a particular course or institution does not necessarily mean that the course is not transferable – this is not a complete list of transferable courses
 - Courses and institutions will continue to be added, as DU equivalents are determined
 - Course equivalents are determined by available course descriptions. Keep your syllabi, as you may submit them to determine more specific placement of courses
- Military coursework that is listed on an official Joint Services transcript or Air Force Community College transcript may be approved by the most closely related department at the University of Denver

Type of Credit	Maximum Transferable Credit
<i>Advanced Placement (AP)</i>	<i>45 quarter hours</i>
<i>International Baccalaureate (IB)</i>	<i>45 quarter hours</i>
<i>Community College/Junior College (2-yr)</i>	<i>96 quarter hours (64 semester hours)</i>
<i>Any combination of AP/IB/2-Yr/4-Yr/Military</i>	<i>135 quarter hours (90 semester hours)</i>

- **The University of Denver runs on a quarter system**
 - When the original college or university is not on the quarter system, the transfer credits will be converted to quarter hours **1 semester hour = 1.5 quarter hours**
- **The final 45 credits must be earned in residence at the University of Denver**
 - Partner programs within study abroad will count as residency if you are traveling your senior year

A more detailed listing of transfer credit policies is available online: du.edu/registrar/transfer-studyabroad
