

2nd GRF One Health Summit 2013

Final call for abstract - Deadline extended to 16 June 2013

The *2nd GRF One Health Summit 2013* will be held from *17 - 20 November 2013 at the Davos Congress Centre in Davos, Switzerland*.

The 2nd GRF One Health Summit 2013 promotes and fosters an integrative approach in managing health risks at the interface of **human-, animal- and environmental health with a strong link to food safety and security**. Striving for intensified collaboration among experts and practitioners from the different sectors and disciplines tangent to such a comprehensive health perspective the summit will provide significant added value to identify cost-effective measures.

The summit lays a **particular focus** on:

- emerging infectious diseases
- food safety and security
- water, sanitation and hygiene (WASH)
- cross-sectorial policies, strategies & tools
- community involvement to regional and international networks and organizations
- economic valuation of inter-sectorial collaboration
- animal impact diseases

Registration and Abstract Submission are open now! Deadline for submission is the 16th June 2013!

[Submit your abstract](http://onehealth.grforum.org) today and present at the 2nd GRF One Health Summit 2013. Visit <http://onehealth.grforum.org> for further information.
