

CURRICULUM VITAE

EDWARD F. GARRIDO

PERSONAL

Name: Edward F. Garrido, Ph.D.
Current Position: Assistant Professor of Pediatrics
The Kempe Center
University of Colorado School of Medicine

Address: The Gary Pavilion at the Children's Hospital
Anschutz Medical Campus
13123 E 16th Ave, B390
Aurora, CO 80045

E-mail: Edward.Garrido@childrenscolorado.org

EDUCATION

The University of Houston, Houston, TX

Ph.D., Psychology, specialization in social psychology
M.A., Psychology, specialization in social psychology
B.S., Psychology, with *Honors in Major; Magna Cum Laude*

UNIVERSITY EXPERIENCE

Research Experiences

- 2008-Present Independent Researcher, NIMH Project (Director – Dr. Heather N. Taussig), The Kempe Center and the University of Colorado Denver, Denver, CO. I conduct research examining the risk and protective factors associated with child maltreatment and violence exposure in an effort to elucidate mechanisms associated with adolescent violence perpetration and psychopathology.
- 2006-2008 Research Coordinator, NIMH Project (Director – Dr. Heather N. Taussig), The Kempe Center and the University of Colorado Denver, Denver, CO. My responsibilities included managing and analyzing data related to a federally-funded grant examining the efficacy of a preventive intervention for preadolescent youth in foster care.
- 2003-2006 Postdoctoral Research Associate, NIMH Project (Directors – Dr. Ernest N. Jouriles, Dr. Renee McDonald), Southern Methodist University, Dallas, TX. My responsibilities included collecting, managing, and analyzing data related to a

federally-funded, five-year grant studying family violence and its impact on the well-being of mothers and children.

- 2002-2003 Graduate Research Assistant, NIAAA Project (Directors – Dr. Ernest N. Jouriles, Dr. Renee McDonald), University of Houston, Houston, TX. My responsibilities included assisting in modifying and implementing an intervention aimed at addressing the issue of dating violence in adolescent relationships. I also conducted analyses with collected data for presentation at conferences and publication of papers.
- 1997-2003 Graduate Research Assistant, NIMH Project (Director – Dr. Linda K. Acitelli), University of Houston, Houston, TX. My responsibilities included assisting in the entering and coding of data, conducting data analyses to be presented at professional conferences, and assisted in the preparation and design of a proposal for a four-year, NIMH grant.
- 1995-1996 Volunteer Research Assistant, Cancer Intervention Project (Director – Dr. Lynn Dalquist), University of Houston-Baylor College of Medicine, Houston, TX. My responsibilities included videotaping cancer patients and assisting in the entering and coding of data.

Teaching Experiences

- 2012-Current Adjunct Lecturer, University of Denver, Department of Social Work, Denver, CO. Courses: *Methods for Evaluating Practice and Programs; Applied Practice Evaluation Research; Correlation/Regression*
- 2003-2006 Adjunct Lecturer, Southern Methodist University, Department of Psychology, Dallas, TX. Courses: *Experimental Psychology*, (sophomore-level - 40 students per section, 2 sections per semester).
- 2000-2003 Teaching Fellow, University of Houston, Department of Psychology, Houston, TX. Courses: *Psychology of Gender*, (sophomore, junior-level – 50 students per section, 2 sections per semester).
- Teaching Fellow, University of Houston, Department of Psychology, Houston, TX. *Introduction to Methods in Psychology (Lecture Portion)*, (sophomore-level – 40 students).
- 1998-2000 Teaching Fellow, University of Houston, Department of Psychology, Houston, TX. *Introduction to Methods in Psychology (Lab Portion)*, (sophomore-level – 30 students per section, 2 sections per semester).
- 1998 Graduate Teaching Assistant, University of Houston, Department of Psychology, Houston, TX. *Cultural Psychology*, (sophomore-level – 40 students per section).

Mentoring Experiences

- 2013 Lacey Stein – Supervised a University of Denver, PhD student in the completion of a research project to meet the requirements of her field placement.
- 2012 Ani Steele – Supervised a Colorado State University, 2nd year graduate student in the completion of a research project for a program evaluation course.
- 2011 Mele Cabral – Guided the efforts of a University of Denver, 2nd year graduate student in social work in completing her research project.
- 2010 Jessica Hellyer – Met regularly with University of Colorado Denver, 1st year medical student to complete a research project and manuscript.
- 2008 Justine Stewart – Guided the efforts of a University of Denver, 2nd year graduate student in social work in completing her research project.
- Ashley Moore – Guided the efforts of a University of Denver, 2nd year graduate student in social work in completing her research project.
- 2007 Angela Bierle – Guided the efforts of a University of Denver, 2nd year graduate student in social work in completing her research project.
- Phuong Phan – Guided the efforts of a University of Denver, 2nd year graduate student in social work in completing her research project.

GRANTS

On-going Research Support

- 2013-2016 S-12A, BA-9A-1, *SafeCare Colorado*
Colorado Department of Human Services, (K. Casillas, PI)
Grant Objective: The purpose of this grant is to implement and evaluate the evidence-based prevention program SafeCare at nine sites across the state of Colorado.
Role: Associate Director
- 2013-2016 2013-VA-CX-0002, *Long-Term Impact of a Positive Youth Development Program on Dating Violence Outcomes During the Transition to Adulthood*
National Institute of Justice, (H. Taussig, PI)
Grant Objective: The purpose of this grant is to examine the developmental trajectories associated with dating violence (DV) from pre-adolescence through young adulthood with a high-risk population (youth with a history of maltreatment and foster care) with a focus on the potential buffering impact of a prevention program on DV outcomes.
Role: Co- Principal Investigator

2013-2016 DJ-13-001464, *Research on Delinquency and Juvenile Justice Involvement among High-Risk Youth*
Justice Assistance Grant, (H. Taussig, PI)
Grant Objective: This grant will examine whether an intensive mentoring program for children at great risk of juvenile justice involvement reduces such involvement.
Role: Co-Principal Investigator

Completed Research Support

2013-2014 Colorado Clinical and Translational Sciences Institute, *Childhood Violence Exposure, Executive Function, and Violence Perpetration/Victimization in Adolescence*
Grant Objective: Using data collected from a community sample of adolescents and their caregivers, this pilot grant will examine the associations between violence exposure and violence perpetration and whether youths' executive functions mediate this association.
Role: Principal Investigator

2013 Doris Duke Charitable Foundation, *From Science to Practice: LONGSCAN Findings that Can Change Child Welfare*
Grant Objective: Evaluation of the Longitudinal Studies of Child Abuse and Neglect's efforts to translate research findings into policy and practice changes in the community.
Role: Evaluator

2011-2013 HHS-2011-ACF-ACYF-CO-0169, *Integrating Trauma-Informed and Trauma-Focused Practice in Child Protective Service Delivery*
Administration on Children, Youth and Families, (C. Little, PI)
Grant Objective: The goals of this grant are to implement and expand evidence-based mental health treatment for children involved in the child welfare system.
Role: Evaluator

2008-2012 R01 MH076919-02S1, *Research Supplement to Promote Diversity in Health Related Research – Supplement to the Fostering Healthy Futures Efficacy Trial for Preadolescent Youth in Foster Care*
National Institute of Mental Health, (H. Taussig, PI)
Grant Objective: This is a 5-year efficacy trial of the Fostering Healthy Futures Program, a preventive intervention designed to promote prosocial development, and to reduce the problem behaviors for youth in foster care. The objective of the supplement is to examine the risk factors associated with child maltreatment that increase the risk for adolescent violence and psychopathology.
Role: Trainee

2004-2006 R01 MH062064-04, *Domestic Violence and Child Aggression*

National Institute of Mental Health, (E. Jouriles, PI)

Grant Objective: To gain a better understanding of how family conflict affects the adjustment of school-aged children.

Role: Postdoctoral Fellow

- 2002-2004 AA13228, *Preventing Abuse in Adolescent Dating Relationships*
National Institute of Alcohol Abuse and Alcoholism, (E. Jouriles, PI)
Grant Objective: Implementation of a prevention/health promotion curriculum to high school students to promote healthy peer relationships, particularly among dating partners.
Role: Graduate Research Assistant
- 1997-2000 R01 MH046567, *Awareness of Self, Partner, and Relationship*
National Institute of Mental Health, (L. Acitelli, PI)
Grant Objective: The study of the inter- and intra-personal factors associated with healthy-functioning relationships.
Role: Graduate Research Assistant
