The Process

1. Meet with an Academic Advisor

- [Schedule an Appointment](#) or call 303-871-2455

2. Complete a petition

- Go to PioneerWeb—Student & Financial Aid—Student Records—Request Academic Exception
- The committee does not review petitions for quarters more than a year ago.

3. Wait for committee review

- The Academic Exceptions Committee meets once a month to review petitions and documentation. The Committee does not meet in July.
- You will receive an e-mail notification once the review is complete.
- You can also check the status of your petition by going to PioneerWeb—Student & Financial Aid—Student Records—View Academic Exceptions

4. Re-petitioning and appeals

- Once an Exceptions petition has been reviewed, students can re-submit the same request only if there is new documentation that the committee did not have access to during the initial review of the petition. The decision of the Academic Exceptions Committee is final; there is no further avenue for appeal.

Types of Petitions

1. Waiver of Residency

Students are required to take their final 45 credits in residence at the University of Denver. Credit earned on DU partner study abroad programs are resident credits; unaffiliated study abroad programs earn transfer credit.

A. If a student is considering a Waiver of Residency, their petition should address:

Why they are interested in taking this course (s) outside of DU .

Why they cannot take this course at DU at another point during the academic year.

Why they need to study abroad through an unaffiliated program. (If applicable)

B. Remember - students must earn at least a C for courses to transfer into DU. Students majoring in accounting may transfer accounting courses without validating tests only if they are recorded with grades of "B" or better. Petitions to waive this residency requirement should include **EMAILED APPROVAL from the appropriate department (e.g. major/minor department), sent to advising@du.edu.**

NOTE: The desire to graduate early or to complete a concurrent degree are not considered appropriate reasons for taking coursework outside of DU during your senior year. Petitions will not be approved for financial reasons.

Continued on the next page

2. Major/Minor Petitions

Students cannot take more than the maximum amount of credit hours allowed in the major (for most majors this is 60 hours, however please check this requirement with the major department.) Students are required to have a minimum amount of credit hours to complete their major or minor. If a student is interested in petitioning either of these requirements, their petition must include: an emailed approval from the student's faculty advisor (sent to advising@du.edu).

3. Late Adds/Drops

Late adds and drops are provided to address those extenuating circumstances that interfere with a student's ability to successfully add or drop a course prior to stated deadlines.

- Late adds/drops are not approved for financial reasons, financial holds, concerns about GPAs or being unaware of the various academic deadlines.
- Requests to retroactively remove an academic "W" are rarely approved, since the appropriate assignment for any course dropped after the first week is a "W" indicating that you withdrew from the course. A "W" does not factor into your GPA.

A. In the Request, include: Course Name, Course Number, CRN and quarter.

B. Your late drop petition must address:

- What steps did you take to drop the course prior to the deadline? **(not needed for late adds)**
- Why did you miss the relevant academic deadlines?
- Why are you petitioning at this time?
- Why were you able to complete your registrations/drops in your other classes, but not this one (if applicable)? **(not needed for late adds)**
- If the registration error was the fault of an agent of the institution, it is important to include any evidence or documentation. **(not needed for late adds)**

C. Petitions *must* be accompanied by a dated email from instructors addressing the following information. *The instructor's email is necessary to complete the petition, however it does not guarantee that the committee will approve your request.* Instructor emails should be sent to advising@du.edu. Emails should include:

- Your attendance and class performance.
- When did you initially discuss dropping the course with the instructor? **(not needed for late adds)**
- Any additional information that would be helpful for the Academic Exceptions Committee to fully understand the situation

D. Be sure to email any additional documentation beyond what is required indicating extenuating circumstances to advising@du.edu.

4. Concurrent Enrollment

Students are not permitted to take courses concurrently at DU and another institution. **Please Note:** Petitions are not required for summer course that overlap with the end of Spring Quarter at DU by a week/7 days or less. If permission for concurrent enrollment is granted, students cannot take more than 19 credits. If a student is interested in petitioning this requirement, a concurrent enrollment petition request must include:

- The course title and institution where the course will be taken.
- The number of combined, registered credit hours between DU and the other institution.
- The reason the student must take the course while enrolled in DU courses.

Continued on next page

5. Retroactive Withdrawal for Medical Reasons

The petition must be submitted within 45 calendar days following the last day of the quarter.

The Student Request

In the petition request for retroactive withdrawal for medical reasons the student must::

- ⇒ Request that *all courses* be dropped.
- ⇒ Address what they were experiencing during that quarter , their **last day of attendance** in class, and what prevented them from dropping courses prior to the end of the quarter.

Required Medical Documentation

Request for a retroactive withdrawal for medical reasons require medical documentation from the student's healthcare provider.

- ⇒ To complete their petition students must submit a summary letter on letterhead from their licensed healthcare provider that answers all of the questions in the Treating Healthcare Professional form found at:

<https://www.du.edu/studentlife/advising/medialdocumentstreatinghealthcaremedicalleaveofabsenceletter.pdf>

- ⇒ **IF** the student is currently *enrolled* in courses at the University of Denver medical documentation to return is also required for review of the petition request. To complete their petition, enrolled students must also submit a summary letter on letterhead from their licensed healthcare provider that answers all the questions in the Treating Healthcare Professional form found at:

<https://www.du.edu/studentlife/advising/media/documents/treatinghealthcareprofessionalform.pdf>

Additional Information

- Approved students will receive W's on their transcript . W's do not impact g.p.a.
- Approved students are required to provide medical documentation to resume academic study at the University of Denver.
- Medical records are *not* required for petition review. Please do not submit medical records..
- An email from the instructor is *not* required for petition review.
- Tuition is prorated. Tuition Refunds will be based on the last date of attendance at an academically related activity in combination with the date the condition was officially recognized by a healthcare provider.
