

Message from your USG President

Welcome to DU!

We are so excited you have decided to become a Pioneer and we cannot wait to share in this Pioneer adventure with you. DU is filled with endless opportunities to be involved in, engaged with, and excited about this place we call home.

We both distinctly remember the summer before college and how exciting it is to be *almost* here. While it seems like it can't come fast enough, Discoveries Week will be here sooner than you might expect. It is such a fun-filled week and while it is an absolute whirlwind, the students we met have become some of our closest friends. Never be afraid to introduce yourself, because you might end up living with some of them a couple of years down the road (as we both do now)!

Now as your student body representatives, our goal is to make your Pio experience as meaningful as possible. We want to talk with you about DU! We certainly want to hear what's good and what can be improved; but, we also want to know how your FSEMs are, whether you had a blast at the last hockey game, and what your favorite study space is on campus (check out the Renaissance Room in Mary Reed). Always feel free to reach out – our emails are below!

Your Undergraduate Student Government (USG) meets every Tuesday at 6:00pm in the Anderson Academic Commons to discuss and solve student issues, fund campus events, and help shape the culture of our campus. You are invited to these meetings! Your voice is highly sought after by our Senators and those who represent you. As a student at DU, you always have the power to shape our campus and make a difference in our community.

As a first-year, you can be involved with USG as a Freshman Senator. Elections will be held in early fall quarter so keep your eyes peeled for information. In case you don't want to run for office, you can also apply to be in our First-Year Council: as a member of this council, you help guide USG in making decisions focused on the Class of 2021. More information will be shared as the school year begins!

Go like [our Facebook page](#) to stay updated throughout the upcoming year on USG's activities and decisions, campus events, and everything else happening at the University of Denver. We hope the rest of your summer is incredible and we are already excited to meet you at Pioneer Passage in the fall.

We can't wait to help you make this your DU!

In Pio Spirit,

Morgan Smith

USG President
