Summer Interterm Courses

Summer Interterm courses take place during June 2016 and offer educational and multicultural opportunities in exciting locations around the world. DU students will benefit from smaller classes that explore new areas, provoke keen interest and interaction with DU faculty and highly respected professionals.

Courses are condensed into a few weeks and offer credits toward graduation requirements. The Office of Special Programs offers scholarships to students who apply and qualify for assistance toward tuition and program fees.

Check out the amazing course offerings for your students today. Registration is now open.

Is your Student the first in your family to go to college?

If you are interested in sharing your perspective, please see this letter from Judy Kiyama, a faculty member at DU conducting research on the experiences that parents of first-generation college students (students who are the first in their families to go to college) have during their child's first college year.

New Payment Portal for Tuition Payments - DU Pay

The University of Denver has implemented a new payment portal -DUPay-for DU tuition payments. While the old system let your student share their account information with one additional person, DUPay allows for multiple users to set up individual credentials to access the account.

Your student needs to access the system and give you access as an authorized user. Detailed instructions can be found at http://www.du.edu/bursar/payments/index.html.

With the new system, authorized users receive an email alert when a new bill is available, and must log onto the payment portal to view the bill.

DUPay offers many additional features, such as storing payment methods and access to real-time account information. It also utilizes a secure platform to store account information and log transactions.

**Summer and study-abroad**  
**Storage solutions for your student**  
*(owned and operated by DU graduates)*

While attending the University of Denver, we recognized that study abroad programs, summer breaks, gaps between quarters, and cramped living environments were among the many reasons why students desired a safe and secure option to store their personal belongings. Unfortunately, we found there was no straightforward and all-inclusive solution.

As a result, we developed an innovative and dynamic approach that offers flexible pricing, convenient pick-up and delivery, and timely scheduling to take the student's effort out of their storage and logistic needs. In addition, K&N Storage Company specializes in shipping and receiving student's possessions, therein eliminating the logistical hassles of moving to and from a new city.

Since 2011, K&N Storage Company has been designing and delivering custom storage and logistic solutions to the greater Denver area and we are excited to introduce to you our newest solution, The Ruumy (pronounced Roomy).

The Ruumy is our durable, water resistant, and most importantly eco friendly solution to your or your student's storage needs. At 7.99/month (including pickup and delivery) you can have your own personal valet storage for the summer, while studying abroad, or for year-around space saving convenience.

Finally, as current Pioneers and alumni, we want to extend a special offer to the Pioneer family--10% off your entire order! All you have to do is enter the promo code PIONEER or PIONEERS at checkout to receive this offer! Please visit [www.knstorage.com](http://www.knstorage.com) or leave us a message at 303-225-2712 and we will have the appropriate K&N Team Member call you back with the answers to your questions. We look forward to serving your storage needs!
Let's Talk

The Health and Counseling Center (HCC) is pleased to announce that the Let's Talk service, an anonymous and confidential drop-in counseling service, will continue this quarter and be held in Driscoll South next to the Pioneer Card office. This is a program for students to access brief counseling consultation away from the HCC. Learn more about Let's Talk and view the schedule online.
