## Send your student a treat for Birthdays, Finals, or just for Fun

[Nothing Bundt Cakes](#) has the best little bundt cakes around. There are small bundtins by the dozen or larger bundt cakes in various flavors. I've tried most of the flavors and they have all been very good. Use the "Order Online" button on their website at the top right, enter the DU zip code 80210 and select the Denver-Cherry Creek location.

Remember to have your student's residence address, including their room number. To find your student's residence hall address, click on the name of their hall on the left side of this page:

## Summer and study abroad Storage solutions for your Student

*(owned and operated by DU graduates)*

While attending the University of Denver, we recognized that study abroad programs, summer breaks, gaps between quarters, and cramped living environments were among the many reasons why students desired a safe and secure option to store their personal belongings. Unfortunately, we found there was no straightforward and all-inclusive solution.

As a result, we developed an innovative and dynamic approach that offers flexible pricing, convenient pick-up and delivery, and timely scheduling to take the student's effort out of their storage and logistic needs. In addition, K&N Storage Company specializes in shipping and receiving student's possessions, therein eliminating the logistical hassles of moving to and from a new city.

Since 2011, K&N Storage Company has been designing and delivering custom storage and logistic solutions to the greater Denver area and we are excited to introduce to you our newest solution, The Ruummy (pronounced Roomy).

The Ruummy is our durable, water resistant, and most importantly eco friendly solution to you or your student's storage needs. At 7.99/month (including pickup and delivery) you can have your own personal valet storage for the summer, while studying abroad, or for year-around space saving convenience.

The Ruummy, powered by K&N, is a bin designed to allow you to take back the space in your dorm room, apartment, or house that is rightfully yours. All Ruummy(s) you order before May 1st will be discounted 20% (every month for the duration of your storage period) by entering the promo code RUUMMY at checkout! Thanks in advance for being a part of our movement towards being a more sustainable company!

Please visit [www.knstorage.com](http://www.knstorage.com) or leave us a message at 303-225-2712 and we will have the appropriate K&N Team Member call you back with the answers to your questions. We look forward to serving your storage needs!

## Healthy, local and organic food now delivered to campus

[Sign up for a food box from the GrowHaus](#) to send your student a delivery of a mix of organic fruit, vegetables, eggs, bread (or gluten free tortillas). See the website for typical contents. Orders can't be customized but there is a barter box available for exchanges. These boxes typically are cheaper than at the supermarket and they support food justice efforts in north Denver. Order by Thursday for Monday deliveries, available for pickup from 10:30-4:30 at the Center for Sustainability, JMAC 142. Email [sustainability@du.edu](mailto:sustainability@du.edu) with any questions.

## College Student Storage

CS Storage can help you move, store, or ship your student's belongings and help you avoid the cost of travel and time off work to do it yourself. Here is what our summer storage service offers.

- We deliver boxes to your student (3 different sizes), tape, poster tube, tags and a marker before move out
- Pick up your student's items from their on or off campus residence
- Store those items in a climate controlled warehouse for the summer
- Deliver all items back to your student's new address on or off campus when school begins

We can store anything! It does not have to be boxed (bikes, plastic containers, furniture, rugs, dorm fridges, etc.) We also offer shipping, freighting, car storage, and moving services as well. Please check us out at [csstorage.com](http://csstorage.com), call our office at 303-545-9525, or email us at [info@csstorage.com](mailto:info@csstorage.com). We are a locally owned and operated company here in Colorado and our customer service is what sets us apart. We do not use independent contractors and are licensed and insured.

No matter what the situation; going abroad, taking a quarter off,

simple moves, repacking services for injured students, shipping or freighting everything home after graduation - we can help you out. Parents save yourself the hassle of moving your student, and money and time as well. College Student Storage is the answer.
