

UNIVERSITY OF DENVER

The logo for the University of Denver Parents Weekend 2017. It features the text "UNIVERSITY OF DENVER" at the top in a small, dark font. Below it, the word "PARENTS" is written in a large, gold, serif font. Underneath "PARENTS", the word "WEEKEND" is written in a smaller, dark red, sans-serif font. On either side of "PARENTS", there is a dark red banner with a white number: "20" on the left and "17" on the right.

New Pioneer Careers Website

Pioneer Careers is the University wide career services platform that connects leading employers around the country with Pioneer talent. Research shows that students look to their parents for career advice, so encourage your student to log in to [Pioneer Careers](#), update their profile, and explore internships, jobs and career development events.

The Pioneer Careers platform launched on Nov. 28 offering the following improvements:

- One career database for all DU students and alumni
- Students seamlessly apply for jobs with improved application and document management

- Employers recruit interns and employees with ease through a cutting-edge system
- An online scheduling feature for career advising is now available and will be phased in by offices over the coming months
- A job and salary database built using student- and alumni-reported data for research

The new platform is a cornerstone for the University's growth in the Denver community and beyond and is essential to meeting career development goals for DU students and alumni. If you have questions about the new system or would like more information to share with your student, email career@du.edu.
