Student Organization Constitution Template

**Introduction:**

Dear Undergraduate Student Leaders,

Hello, from the Student Organizations Committee of the Undergraduate Student Government! We are a group of Senators within Undergraduate Student Government (USG) whose committee assignment dictates our responsibility to support, advance, and approve Registered Student Organizations (RSOs).

There are many benefits to becoming an RSO, including access to funding, the ability to reserve on-campus spaces, official promotional advantages, and access to campus resources. A constitution is your first step to becoming an RSO. Constitutions are required for RSOs. This document serves as a guiding document and outward-facing statement of the purpose and values of the organization.

This template constitution is intended to guide you in your process of becoming an RSO.

This document provides an example as to the correct formatting of a constitution that meets the standards and requirements of the University of Denver and USG.

This template may be adapted to the needs and culture of your student organization. However, the \*starred\* articles must be included in all student organization constitutions. Article IV: Section 1, VII, VIII, and IX MUST use the EXACT language included on this sample.

Feel free to take inspiration from this constitution as you begin or continue on your journey to help keep DU's student body involved and engaged. You, and other groups like yours, are the backbone of the student experience at DU. Remember, your friends at the Office of Student Engagement and your representatives in USG and on our Committee are here to help! To view the criteria that the Student Organizations Committee will use in evaluating your organization, please view our evaluation criteria document provided on our [website](#).

This constitution will be submitted on the Registered Student Organization [Qualtrics Application](#) along with your member roster and your Student Organization Constitution Signature Approval Form (must use template roster and approval form provided on the Qualtrics or on the Student Org Committee website).

Best of luck on your journey and please feel free to reach out with questions about the process.

Yours,  
The Student Organizations Committee  
Chair - Senator Samuel Holt, CAHSS
