

# 2013 Season Series

# Get Growing!

Workshop	Date	Time	Location
<b>Battling Pests</b>  Ready or not, garden pests will find your flowers, fruits and veggies growing. Learn how to identify the good and bad bugs to maximize your plant's potential. We'll discuss attracting beneficials and reducing pests. Bring questions. Presented by faculty member, Dr. Murphy.	7/17	12-1pm 	Cherrington Hall - Sie Center, room 150 (1st floor of building)
<b>Sazza - Backyard to Restaurant</b> Enjoy lunch, a walk and a talk with DU Alum and Sazza owners, Jeff Rogoff and Jenni Hayes. We will tour their "farm" near campus after a catered lunch from the local pizza & salad restaurant. <b>www.sazzarestaurant.com</b> <i>RSVP to Katie.Dunker@du.edu by 7/19.</i>	7/23	11:30am-1pm	Meet at the JMAC classroom. We will eat lunch and talk, then walk a couple blocks for the farm tour.
<b>Get in the Garden!</b> Get together with your colleagues, roll-up your sleeves and let's weed, see what's growing, harvest what's harvestable and enjoy some sunshine and exercise together.	8/5	12-1pm	Bridge Community Garden off High Street near Buchtel Blvd.
<b>Canning</b> You don't have to garden to can. Learn how to capture the best of what's local for year round enjoyment. This will be a demonstration.	8/20	12-1pm	Meet at the JMAC classroom. 
<b>Fall Plantings &amp; Harvests</b> What can you still plant and when should you plan a final harvest? Get in the garden to find out.	9/4	12-1pm	Bridge Community Garden off High Street near Buchtel Blvd.
<b>Foraging on Campus</b> Is that edible? Can I take some? What does it taste like? Join us for a walk on campus that will focus on finding edibles.	9/18	12-1pm	JMAC 142 - Center for Sustainability.
<b>Putting your Garden to Bed</b> Say goodnight to your garden by utilizing certain plantings that will get your garden ready for next season.	10/3	12-1pm	Bridge Community Garden off High Street near Buchtel Blvd.

All faculty & staff are invited to attend, never-before & expert gardeners are welcome!
